

PROSONUS™  
Sound Library  
Volume II

© 1990 by Prosonus™. All right reserved. Use of this work is limited and restricted to the synchronization of recordings in timed relation with films, slide films, training or marketing presentations, radio and television presentations or commercials, and other multimedia, audio or audio-visual displays or presentations.

**LIMITATION OF LIABILITY:** Neither New England Digital ("Licensee") or Prosonus ("Licensor") shall be liable for any lost profit or any claim or demand by any sub-Licensee arising from the use of this product or any action by the Licensee, Licensor, or their representatives. IN NO EVENT SHALL EITHER LICENSEE OR LICENSOR BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL OR TORT DAMAGES ARISING FROM PURCHASE OR USE OF THIS PRODUCT BY SUB-LICENSEE.

This Manual Assumes that you know how to use the optical drive system. If you need more information, see the Organizing and Storing Sounds manual.

## Categories

Sound files stored on the optical disks are organized by category.

The Following is a list of the categories, and the files contained in those categories.

## Prosonus Sound Library, Volume 2
